Questions for Activity? Mitch S, asked how much money was collected in total for Registration? Burnodette A says on Aug 2, 2020 Admin Meeting she will have this information. Jeff L original questions about the reducing of the 500 attendees to 100 were answered. Dale W. told this body that the reason the attendees amount was reduced is because each speaker jam fundraiser had less than 100 members and it was a waste on spending until those numbers met the threshold to increase.

Old Business Last speaker Jam fundraiser made \$96.00

New Business Lateef S will assist with web facilitator duties until November.

Lateef also brought up the need to address the our standing practice that the Activity Chair selects committee chairs that deal with money without the oversight of GSR and groups voting, reviewing qualifications, seeing NA Resume and fiscal management of these selected trusted servants. Pros and cons discussion was talked about and Burnodette also added that all of the trusted servants positions that deal with money need to be subject and required to be audited.
