

September 19, 2020

Hello Family

The Website is up and running smoothly with a new look and new pages added to it. It is also very user friendly. The Home Page was revised and the below is a list of new pages.

B&C Members – Board & Committee  
M Rpt – Minutes and remainder of reports  
Service  
Policies  
Meeting Schedule  
WEANA Fund Raiser  
GSR Training Session  
Services Handbook  
Literature Form  
Public Relations  
GSRCA Speaker Jam

The July reports are posted on the M Rpt. Page and will be updated monthly. The meeting schedule is current as I have been given changes to group meeting time and places, the schedule will be update within a twenty-four time period after I receive them.

For projected future update of website I have research Bright Event and as a source of having Registration, Merchandise, Banquet Tickets, etc. online for people that would like to registered on line for next Anniversary whenever that is and I do not recommend them as the source, I recommend Pay Pal because Bright Event is another Website software that is for events only and announcements of the event or events upcoming and we already do that with our Website. Bright Event charge the buyer/customer where Pay Pal charge the Pay Pal Account holder in this case would be us (WEANA) at a very low rate. Further research will be done before December 2020 comes.

This position is open if anyone has decided to run for it. I will be more than happy to train those interested, meanwhile I will continue to do the upkeep of our website.

In Loving Services  
Lateef S.
